# BMJ's Coronavirus (covid-19) Hub

All information is freely available

BMJ's covid-19 hub supports health professionals and researchers with practical guidance, online CPD courses, as well as the latest news, comment, and research from BMJ. The content is free to access and updated daily.

Research Latest from The BMJ Most read Latest from BMJ Journals

Updated daily.  
Free to share.

## Practical guidance, medical news, comment, and most-read research from across BMJ publications [bmj.com/coronavirus](https://www.bmj.com/coronavirus)

- Hosted on **The BMJ** website
- Linked to an Archive of **all** BMJ COVID-19 content  
[bmj.com/coronavirus/archive](https://www.bmj.com/coronavirus/archive)
- Section dedicated to testing updates
- Linked to new blogs and podcasts

Infographics on  
"long COVID", telehealth  
and more

## Acute, chronic and interventional pain knowledge *from pediatric to geriatric*

For more than 30 years, **RAPM** has provided new research, guidelines and important information to help regional anesthesia and pain specialists treat patients.

New research in pain medicine also helps specialists combat the overuse of opioids prescribed after surgery.

- **Impact Factor: 7.015**
- Ranked 2/32 in anesthesiology
- Official journal of the American Society of Regional Anesthesia & Pain Medicine

**Readership:** Anesthesiologists, Pain medicine specialists, PM&R specialists, NPs, PAs, Scientists, Pharm D

## Features

- Authoritative guidelines and practice advisories
- Archive access dating back to 1976
- The latest anticoagulation guidelines; published every two years
- New medical knowledge in pain medicine to help avoid the over usage of opioids

## Article topics

- Intraoperative regional techniques
- Perioperative pain
- Acute pain
- Chronic pain
- Pediatric anesthesia
- Outcome studies
- Complications
- Obstetric anesthesia

**Review the journal:** Visit [rapm.bmj.com/pages/top-cited-articles](http://rapm.bmj.com/pages/top-cited-articles) to access top-cited content. Free to read and share.

## New Editor-in-Chief

Brian D. Sites, MD, Medical Director of the Acute Pain Medicine Service at Dartmouth-Hitchcock Medical Center

## BMJ Case Reports

**20k cases**  
**70+ countries**

## Supporting case-based learning and the publishing pathway

An institutional subscription (fellowship) provides your faculty, residents and students:

- **Unlimited submission opportunities**
  - 61% acceptance rate
- Peer review, report templates and copyediting services
- Automatic indexing for all published case reports in Medline/PubMed, CINAHL and Scopus
  - PubMed Central after two-year embargo
- Interactive tools - blogs, lively comments and debates
- Continuous online publication

## BMJ Premier Collection

39 high-quality medical titles

### Evidence-based:

- Published online first
- Unlimited archive access
- Multimedia – podcasts and blogs
- Editorials, reader responses, debates
- Device-responsive websites

**BMJ's most cost-effective and comprehensive journal package**

# Open Access at BMJ

Rapidly disseminating scholarly research throughout the world

Ensure these journals are discoverable through your health science library.
